Climax Of 'Sell-A-Bration'

Grandmother's Kitchen Band At Shopping Center

When the Foothill Rosemead Shopping Center climaxes its 18 days of special bargains celebrating its 10th anniversary "Sell-a-Bration" with the giving away of free prizes Saturday, Nov. 12, at 8 p.m. at the south entrance to Pasadena Federal Savings, the attending public will be given a musical treat usually reserved for those less vigorous than scurrying shoppers: the famous Pasadena Grandmothers' Kitchen Band will play. The band will begin playing at 1:30, entertaining the crowd as it gathers to hear names of prize-winners.

The selections for the musical program will consist of the Grandmothers' usual, an extensive repertoire of old and new music, including waltzes, polkas, marches and songs ranging from the sacred to the sentimental and humorous, with several of their own specialty arrangements. Members play on instruments concocted from articles found in the average kitchen, and they create their own distinctive millinery from the same sources.

Paint-A-Can Deadline Set

The deadline for the Paint-A-Can Contest is Nov. 4 at 5 p.m. The Sierra Madre Parks and Recreation Department urges interested artists to submit their drawings and application to the Sierra Madre City Hall, 55 W. Sierra Madre Blvd.

1. Be a resident of Sierra Madre.
2. No age restriction.
3. Present drawings in color on paper no larger than 17x24 inches.

Recommendation

We have given deep consideration for our recommendation for the candidate for the seat of Trustee of District 2 for the Junior College Board.

We have talked with members of the Pasadena School Board as to the qualifications that would be required for this position. We have talked to most of the candidates and asked them questions. We have applied what we think is the desire of the people of this area in this newly created college board. Since we do not tolerate special privileges to any candidate while campaigning, and under no consideration support a candidate that is controlled, or have tendencies to be controlled, by any one group of people, and since this is a board that will have to consider the expenditures of money for the taxpayer and the establishment of policy . . . it is our recommendation that people of this area give their vote for their representative to the board to . . .

Robert C. Michael

For County Questions, with the taxpayer in mind as to the immediate necessity of bond proposals we recommend the following:

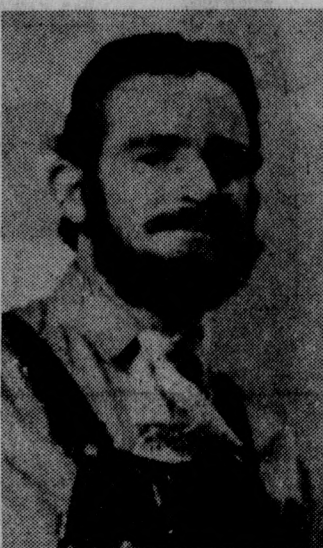

A—Yes B—Yes C—Yes E—No.

Under the Judicial section of your ballot, we give you our recommendation on the Editorial page of this issue. Other judges for positions, we cannot find anything derogatory about them, hence say vote yes on all judges for District Court of Appeals.

Most of all we ask that you exercise your franchise and Vote Tuesday, November 8.

Legion Auxiliary Meets For Party

Members of the American Legion Auxiliary No. 297 spent a pleasant social evening at the home of Past President Lucile Pickett on Thursday evening. The Halloween motif was carried out in the table games, prizes and buffet refreshments.

A pleasing sum of money was realized from the "Silent Auction." This money will be sent to the special child welfare project—"Korean Orphans." A gift also to the Heart Fund was sent in memory of Oscar Willumsen, husband of Past President Anne Willumsen. A contribution was made to the United Crusade.

Mrs. Ralph Bent will be hostess to the unit on Thursday evening, Nov. 10, at her new home, 149 N. —Please turn to Page 9

Wrestling Is A Tough Racket Says Bill Wark

by BILL WARK

Professional wrestling is a peculiar sort of a sport. And having the somewhat dubious distinction of being Sierra Madre's only professional wrestler, I have often been asked to express my opinion on the subject. It's terrible. There is always the bright lights, the deadly white of the canvas, the butterfly feeling in the stomach before the match begins and the clanging of the bell as the announcer tries to name the opponents over the roar of the crowd letting off steam against the villain which for 17 years "Iron Mike" always was.

The wrestler is required to perform five and six nights a week and he must get over with the paying audience, either as a good guy or a bad guy. A few dull nights and he is all washed up and must move —Please turn to Page 5

WELCOME!

A warm friendly hand of welcome is extended to Darwin M. Dennis as he takes over the management of the affairs of the City of Sierra Madre.

Mr. Dennis took over officially on Tuesday, November 1, relieving Lawrence Adams, acting City Administrator, who has held down the position since early August, when the resignation of Lawrence C. Bevington became final.

City Administrator Dennis will administer his first active Council meeting on Tuesday, November 8. We wish him much success in the days, weeks, months and years ahead.

Swimmers Make Good Showing

Sierra Madre Holds Own Against Strong Pasadena

"Last call for 7-8 year olds free style, first call for 9-10 year old breaststroke" were just some of the sounds heard in the air Saturday morning in the Sierra Madre pool area as Announcer Gordon Rudolph called the swimmers of Pasadena Recreation Swim Team and the Sierra Madre Team to their events.

A dynamic Bullfrog team beat the Sierra Madre swimmers 194 to 124 in the first meet of the winter season. However, Sierra Madre carried off its share of winners in the top three spots even though Pasadena strength runs in the 100's while the home team membership is in the 50's. The following Sierra Madreams placed in Saturday's events:

8 and under boys' butterfly, Dana Knickelbein, 3rd place; 9 and 10 girls' butterfly, Joan Ball, 3rd place; 9 and 10 boys' butterfly, Steve Choates, 2nd place; 11 and 12 girls' butterfly, Nancy Rudolph, 1st place; 11 and 12 girls' butterfly, Debbie Knickelbein, 2nd place; 11 and 12 boys' butterfly, John Cowan, 2nd place; 13 and up girls' butterfly, Susan Banis, 1st place; 13 and up boys' butterfly, Neal Skarin, 2nd place; 13 and up girls' butterfly, Pat Ifery, 3rd place.

O. W. Wilcox Appointed Exec.-Vice

O. W. WILCOX

With the dramatic expansion of aerospace and defense oriented industries during the recent years, it is no surprise that Sierra Engineering, one of our locally based prime manufacturers of oxygen equipment, medical products and flight helmets, has an increasing backlog of sales to both military and commercial and industrial firms.

A recent announcement by Aaron Bloom, president of Sierra Engineering, regarding the appointment of Orland W. Wilcox to the position of executive vice president in charge of plant operations, reflects the increasing need of this firm to move rapidly ahead in production to meet growing sales.

"Wilcox brings an extensive technical and management background to this challenging new assignment," stated Bloom, "including nearly 10 years with us in positions requiring increasing responsibility and creative management."

Bob Collup New Prexy In SM Baseball

Handing over the gavel this week was outgoing chairman Bert Embree to new Sierra Madre Baseball Association chairman Bob Collup. Bob, a long-time member of the Little League organization, has served as player-agent for the past three years and is its current president. He is well known throughout the community as a hard working supporter of many athletic programs for both boys and girls. Under his energetic leadership, the CMBAA is assured of a successful year.

The Association is the guiding and coordinating force for its three member organizations, Little League, Pony/Colt League and the Women's Auxiliary. Appointed to its board of directors this year, along with Collup, are Doug Tucker, Bruce Peppin, Yvonne Osti, Alice Bohler, Pat Alcorn and the newly elected officers of Pony/Colt League, president Peter Cowell, first vice president and player-agent Jerry Carlton and secretary Arthur Gifford.

The first order of business, according to Mr. Collup and sponsor chairman Yvonne Osti, will be the active search for team sponsors for the coming season. The Association represents about 300 local boys and depends greatly on the generosity of the team sponsors to support its programs. Due to the fund raising projects of the auxiliary and the volunteer efforts of Little League and Pony and Colt fathers, it has not been necessary over the years to raise the cost of sponsorship as it has been in other communities. New ideas are being discussed on how to give sponsors more recognition this year, so how about it, merchants. Give your support to these boys and get Sierra Madre baseball off to a great start.

For information regarding sponsorship, call Yvonne Osti, 355-1995.

Residents Warned Of Con Artists

The Sierra Madre Police Department and the Chamber of Commerce have repeatedly, since the city was founded, warned citizens to be on guard against dubious salesmen.

The arrest Friday of a man who with his son was putting a new topping on an elderly resident's driveway without authorization points up the fact that senior citizens are peculiarly vulnerable to being approached by con artists on the premise that they are too old to remember terms of a work agreement or too old to go through the court procedures to accomplish conviction if arrest is made.

It might be well to underscore the wisdom of dealing only with reputable merchants, preferably local merchants, by reminding older relatives and friends to beware.

PHS Band & Drill Team Take Honors

The justly celebrated Marching Band of Pasadena High School and its long-famous senior Drill Team chalked up further renown by winning the sweepstakes for half-time performance Saturday evening, Oct. 29, at the fifth annual Invitational Tournament of Bands sponsored by Chaffee High School and the City of Ontario. The band and drill team combo also won a special showmanship award and have been invited to perform at the half-time show for the Pro-Bowl game at Los Angeles Coliseum on January 15.

This is the 14th consecutive placement achieved by the school's band and drill team out of 14 events entered during the past four years. Miss Joanne Owens is director of the drill team, which has an enviable reputation as tops in Southern California. For the special events, drill members are practiced seniors, numbering 100 this year, but the band uses all 110 members from the three grades to produce its award-winning sounds. Larry Curtis has been its teacher and director for the past three years, coming to PHS from Colorado. Bud Ireland is drum major for this year's group. Word From the Better Half

Volunteer Firemen's Wives Tell Story As They See It

They look the same, act the same, and are the same as any cross-section of modern day, suburban, small-town females, the wives of volunteer firemen. I don't think you'd find many who would, on their own, volunteer their husbands for fireman's duty. But all live with their acceptance of husbands joining up, though with mixed emotions.

One wife said "No" for a long time. "I don't want you endangering your life any more than you have to!" was her reason. She tells the eventual result this way: "I left town for two weeks once, and when I came back — you guessed it — my new fireman's husband gloated like a child caught with a candy, who is too happy with his tummy full to feel much guilt. What can you do but smile back?"

Some wives are convinced the fire alarm is a personal haunt. It never seems to sound for one unless she's all dressed up and about to sally forth with her husband for an evening on the town. For some, there is the suspicion that the alarm might be rigged for those nights when a Dad has promised to, baby-sit because at the last minute, they find themselves pouring frantically through the phone book while the sound of "Charge-e" is fading away with husband's footsteps, out the door on a run.

Another wife concedes that the volunteers save some tax dollars, but her reminiscences are usually punctuated with the eruption of giggles. "Gosh! Some of the funny things that have happened through the years! But most of it you can't print."

For instance, our poor guys have learned the hard way that they can't abandon themselves completely to nature even when fighting fires on the mountain side, because some people watch the action with binoculars!

And remember back in '54 when people were evacuated from the canyon and foothills? Well we, like many others, had a house full of firemen and their families. We spilled all over the place for three days, and at night everyone was in a constant state of coming, going and exhaustion. We had mud and soot everywhere. But it was the

Friends of the Bouvier family will be relieved to know that Scott A. Winners Announced

The great day has arrived . . . I got back that hour that I lost last April. It was just like having money in the bank. I have been waiting so long to spend it and now that it has come due, like most everyone else I have overdrawn my account.

—CT—
The very first morning that I was going to enjoy that full hour of extra sleep, so help me, my eyes popped open on the old time schedule. Again I find that I am going to have to get used to the new time schedule gradually. Probably by April I will have it all straightened out.

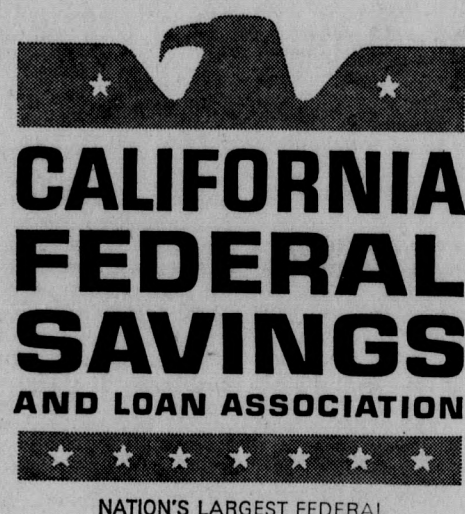

—CT—
Kinda reminds me of the kind-hearted old gentleman who saw a little boy trying to reach a doorknob. The man rang the bell and asked: "What now, little boy?" "Run," said the little boy, "that's what I'm gonna do."

—CT—
So, we are going to have another election next Tuesday. Not nearly as wild as I anticipated a couple of months ago, but it is hard to tell just what will take place in the next few days. I truly have the feeling that the Republicans are going all the way this time. Any organization that has the opportunity to build up an eight-year machine should be disappointed from its efforts. California is bogged down and needs a new concept of forging ahead. This time next week we should know all the facts of what the future holds for most of us.

Holiday Benefit Is Home Tour Giftique and Tea

This year the Assumption of the Blessed Virgin Mary Church's Annual Holiday Benefit will take place on November 16 in the form of a combination Home Tour - Christmas Giftique and Desert Tea.

It will be a true Ports O' Call as the tour includes three lovely homes; those attending may make a stop at another home so as to purchase articles from Santa's Workshop and home-made goodies from the Christmas Bakeshop. From 11 a.m. to 3 p.m. at still another home a Scandinavian Konditori will serve pastries, coffee and tea. What makes this schedule most attractive is that all ports are within the same area - within a few doors of one another.

The donation for this wonderful day is only \$2.50. Tickets may be purchased from the general chairman Mrs. D. Strasser, 355-3969, and Mrs. G. Ward, 355-7459.

The homes of the tour include Dr. and Mrs. P. J. Narocovich, 1490 Old House Rd., Mr. and Mrs. D. Gianregorio, 1405 Sierra Madre Villa and Dr. and Mrs. J. Fortier, 1580 Old House Rd. The Giftique is at the home of Mr. and Mrs. E. P. Maurin Jr., 1605 Old House Rd. and a Dessert Tea will be served at the home of Mr. and Mrs. A. J. Huber, 1575 Old House Rd. All the homes are in Pasadena.

Mrs. Stanton Davies, program chairman, will present Paul Brown, director of public relations for the Public Health League of California, who will speak on "Dental Legislation." Mr. Brown is a graduate of Boston University School of Journalism. He has had wide experience in the field of public relations, and has been a guest lecturer on that subject at the University of Southern California. He is a life member of the National Polio Foundation, and has served on the Information Committee of the American Cancer Society.

Mrs. William L. Bendel, dental health chairman, will preview a new film, one of a series available to schools or other interested groups.

Mrs. John G. Murphy, president, urges all dental wives and their guests to attend this informative meeting.

Newcomers' Club See Demonstration On Decorating

The social hour will begin at 11:30 in the Magnolia Room. Reservations may be made through November 4 with Mrs. Dennis Mett, 447-1178; Mrs. Herb Pintard, 445-3859, or Mrs. Jack Friel, 446-0513.

The Craft Group will meet on Wednesday, November 16, at 10 at the home of Mrs. Dennis Buchanan, 1837 Stonehouse Road, 355-0224. Continuing with Christmas projects, members will be trimming the candles they made at their last meeting, as well as beginning on starched draped figures.

'Accent On Action' Is Theme Of Zonta District Conference, Newport

"Accent on Action" was the program theme for the Zonta District Conference held in Newport, Beach on October 14, 15 and 16.

A pot-luck dinner was enjoyed by members at the home of Dorothy Caldwell in Monrovia on October 10. At this dinner meeting Zonta Santa Anita Area was Elizabeth C. Falman, president; Esthereen Budd, second vice president; Florence Nielsen, treasurer, and Jane Wolf, member at large.

Dr. Daniel G. Aldrich, Jr., Chancellor of the University of California at Irvine, was the banquet speaker on Saturday evening. Miss Leo-Pekrul, second vice president, gave a message from President Edna Naim.

The Friday evening program honored past District Governor's Four Amelia Earhart Fellowship recipients for 1966 were the special guests at the Saturday luncheon. The speaker for the Saturday luncheon was Major Arminta Hamess, senior project officer of the Gemini Program. A service project of the Zonta Santa Anita Area, the Sierra Madre.

To Hold Regular Luncheon Meeting Dinner Dance

Combining a final wrap-up of the football season with a rousing beginning to the approaching holiday season, the Sierra Madre Arcadia Welcome Wagon Newcomers' Club has set aside the evening of November 19 for their gala "Holiday Kick-Off Dinner Dance."

Festivities will begin at 6:30 at a restaurant at 8526 E. Valley Blvd., in Rosemead. The George Prigatoni Band will provide dance music throughout the evening.

Social chairman, Mrs. Jack Friel, states that there will be a "Kick-Off Queen" crowned at the affair, but her committee gives only sly smiles when questioned on the rules by which the queen will be selected. The only hint they will divulge is that every member has an equal opportunity to attain royalty that night.

Door prizes, along with games and song, will be added bonuses in store for the guests. Reservations may be made with members of the dance committee. They include Mr. and Mrs. Joseph Baiunco, 446-4305; Dr. and Mrs. Robert Ball, 446-0722; and Mr. and Mrs. Kenneth Burrows, 445-2983.

Benito Carnival Set For Nov. 5

The Don Benito PTA Carnival, "County Fair," is planned for Saturday, November 5, from 11 a.m. to 3 p.m. Mrs. Joseph Bruno and Mrs. Henry Marcheschi, co-chairmen announced that booths would reflect the old-fashioned theme with antiques, barbecued sandwiches, baked goods and skill games.

Coordinating efforts of the youth groups and parents for this community fund-day is Mrs. James Mather, room mother chairman.

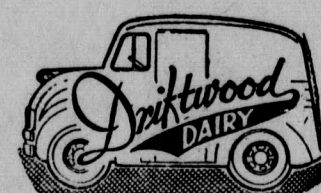

You and Your Neighbor

The "We Care" motto adopted by the Auxiliary of the Sierra Madre Community Hospital must also apply to the residents of the British Home here.

Concerned lest they again be overlooked in the request for contributions for the United Crusade, nurses and guests at the British Home did their own collecting among themselves, pooled a gift of \$25, which gives pause for thought to the rest of us. Let's remember that United helps to bring comfort, nursing care and many aids to senior citizens less fortunate than those living at the British Home, and through family counseling services helps to bring harmony into homes where a senior member may present problems. To old or young or too heavily burdened parents, United lends a hand where needed, so let's lend our hand, through United, by whatever we can give.

You and Your Neighbor

Guess who breezed into town last week, looking lean, tanned, content and inoffensively smug? Hugh Barton, former manager of the local Bank of America. Arriving on one of our hot-spell days, he claimed it's gotten so chilly in Bridgeport that his wife had sent him into buy a supply of warm woolies, but when he was hooted down on this, admitted that a business meeting in LA was really the prime reason for the trip, which gave him a chance to drop in on the gang at the bank, and point out to Jim Burke that the Chamber of Commerce was just lucky he couldn't be here for the turkey shoot. The family thrives in their new home, and of course he refers to the locale as "God's country." Despite smog, put no faith in anyone's "defection" from Sierra Madre,

else why are they always coming back, usually to live here again, always to visit when possible?

COMMUNITY HOSPITAL

... Sierra Madre

Jon Robert Turner, the small son of Mr. and Mrs. Robert Turner, living in Sierra Madre at 260 Grove St., was a patient in Sierra Madre Community Hospital for several days during the past week.

Admitted to Sierra Madre Community Hospital during the past week was Mrs. Lillian Smith, whose home is at 270 Old Ranch Road, Sierra Madre. Mrs. Smith had been at Parkwood Convalescent Hospital for some time.

Mr. and Mrs. Richard Gruenthard, living at 13627 Lubican St. Baldwin Park, have named their third son Eric Damon. He was delivered at Sierra Madre Community Hospital on Wednesday, Oct. 26, weighing 7 pounds, 6 ounces. Welcoming Eric into the family circle are his older brothers, Gregg Alan and Scott Christopher.

Mr. and Mrs. Fred Van Wickle of 144 E. Laurel Ave., Sierra Madre, are happy introducing their infant daughter, Sarah Noel, to their many friends and acquaintances. She was delivered at Sierra Madre Community Hospital on Saturday, Oct. 22, weighing 5 pounds, 13 ounces.

"Let's Talk Dry Cleaning"

by JOE DELGATTO, SR.

In women's fashions, this is a season of sparkle. Dresses, blouses and evening wraps are resplendent with metallic fabrics. Some dresses and wraps are made entirely of lame. Other fabrics that are favorites are silks, satins, velvets, even wools shot through with metallic threads.

These fabrics are fascinating, but they also present cleaning difficulties. Fabrics containing metal threads have two major faults: they tarnish, and they are extremely susceptible to severe creasing and wrinkling.

Most metal threads consist of a cotton inner thread which serves as a base around which a thin metallic ribbon is rolled spirally. The base metal is usually copper which, when the lacquer wears off, tarnishes badly and tarnish is almost impossible to remove by any method of cleaning. Synthetic metal-like threads do not present this tarnish problem. Before we can safely clean cloth with metal threads woven through it, your cleaner must test to find out if the metal has a copper base or is a synthetic thread.

We always make sure of the fabric content of every article you send us. You can count on our taking a little more painstaking care with the cleaning and finishing of your finest, most delicate fabrics.

Woman's Club Meets Nov. 9

Sierra Madre Woman's Club meets on Nov. 9 at 11 a.m. in the Clubhouse, 270 W. Sierra Madre Blvd. After the usual club business, Mrs. Henry Wade Sr. will tell plans for the work of her two sections, handicrafts and stamps, according to the president, Mrs. Roy E. Griffin.

The program after luncheon will be put on by Mr. John Arnold Ford. Entitled "Heroes of the Great Southwest," Ford's program is presented as a community service project by the Southern Counties Gas Co. and the Greek Theater Association.

Son of retired Los Angeles County Supervisor John Anson Ford, the speaker combines story and song in this new version of Southwestern history. He has appeared as bass soloist with the San Francisco and Los Angeles Opera Companies and with the Los Angeles Philharmonic Orchestra and Hollywood Bowl Symphony, among a long list of important professional engagements.

Luncheon for the day is in charge of Mrs. Lucille Dibbern and her committee and reservations must be made not later than Nov. 7 with Mrs. Georgia W. Kirby and Mrs. Vera W. Purinton at 355-9174.

On Nov. 16 the club will put on the second of its card party luncheons and afternoon parties open to the public as a part of its

money-making efforts. A delicious luncheon will be served at noon, with cards or other games and door prizes to be given the afternoon. The fee is very nominal, and the public is urged to come and bring your friends. Hostesses for the day are Miss Florence Peterson and committee. For reservations, call her or the same ladies mentioned above for the meeting of the 9th.

Wrestling Is A Tough Racket

on, another town, another state to wherever a kind-hearted promoter will give him another chance. And are few, all too few, kind-hearted promoters.

Although the "Lord" seems to have sprinkled my trail with sunshine, it was still a heart-breaking sight to see the older wrestlers still clinging on, hanging around the booking office pleading for just one more chance to make a few dollars. The wrestler has no social security, no unemployment compensation, no medical insurance, no trade and really no future. Truly, in spite of all you read about the fortunes they make, it just isn't so.

Professional wrestling is big business controlled by a few and they are a pretty tough bunch. Perhaps the only good thing it does, is to keep one in top physical shape to hike the mountain

trails. During the depression years, I'll never forget the once well known but older wrestler who failed to get over with the crowds of Montana. He was a gentle soul, not typical of the gang, with a wife and four children in Washington waiting for the bread and butter money that never came. And no one seemed to care. Together we dug up about four dollars and when I watched him grab a freight and wave goodbye on that cold snowy day, it made me cry.

The wrestler usually arrives in town about two hours before the match, and there he stands on the street corner hankering on to a little bag filled with trunks, dressing robe, light wrestling shoes, towel and a bar of soap as he lonesomely watches the family groups pass by. As the skies darken he walks to the arena hoping against hope that his match will get over and the promoter will want him back again. If the villain can so infuriate the people that they start dousing him with beer (bless the paper cup law), showering the ring with popcorn, trying to burn him with cigars and cigarettes and the ladies trying to stick him with hatpins, then he is doing pretty good. But when the crowd surges into the ring to help the hero and he has to run for the dressing room, praying that he will stay on his feet as he dodges the feet and fists and all is in bedlam and uproar as the wrestlers in the back come boiling out to save his scalp, then he is truly a success.

Professional wrestling is for the birds. Ed. Note: Bill Wark was Pacific Coast middleweight champion for four years. Then as a light heavyweight, he grappled with all the top names, including Gorgeous George, Danny McChain, Wild Red Berry, Lord Blears and a host of others. He ran 32 straight main events on television, and in 17 years totaled some 4,420 matches.)

Phillips Hall To Be Dedicated Sat., Nov. 5

Two events highlighting the Fall Parents Day at Claremont Men's College on Saturday, November 5, will be the dedication of Phillips Hall and an address on Africa by Dr. William Stokes.

Both events will take place at the convocation for parents, students, and faculty at 11 a.m. in McKenna Auditorium. The public is invited.

Chester A. Rude, chairman of the board of trustees, will preside at the dedication of Phillips Hall, named in honor of Mr. and Mrs. M. Penn Phillips of Sierra Madre. Mr. Phillips, a trustee of the college since 1957, is well known throughout the West, where he has developed thousands of acres of land. The unveiling of the plaque will be in Phillips Hall immediately after the convocation.

After lunch in Collins Hall, parents and friends will visit on campus, then are invited to attend the 2 p.m. football game between the Stags and La Verne College.

The smell of fresh paint greeted the Senior Citizens Saturday when they met for their weekly luncheon at the Park House, also an unusual sight—lovely young girls on ladders giving the Park House a much needed face lifting. These 40 young ladies were from Pasadena High School engaged in a voluntary project.

Luncheon tables for the Senior Citizens carried out the Halloween motif. Betsy Stevens, dressed in an adorable witch's costume, greeted members and guests. The program featured Vivian Singleton in several well-known piano compositions.

A group later left to attend the Can-Can Girls performance at the Carousel Theater and will give a report on this at the next meeting.

The Historical Society of Sierra Madre extended the organization an invitation to attend its program next Saturday, Nov. 5, at 2 o'clock at the Woman's Club House.

Sierra Madre can well be proud of the ten boys who are contributing so heavily to the Pasadena Pop Warner team wins, and predictions are that they will be heard from for further athletic prowess as they go on in junior and senior high school sports.

The Pee-Wees, who downed the Alhambra T-Bird 34-8 at Alhambra, roll on with an impressive 6-1 record in the tough San Gabriel Football League. Led by backs Bart Bradley, Scott McKay and Tom Nickoloff and line-man Tom McGoldrick, this team is one of the better ones Pasadena has had in recent years.

The Midgets, now Northern Division Champions of North San Gabriel, bombed Alhambra T-Birds 26-0 at Alhambra. Greg Bradley at quarterback, Jeff Larson, Chris Maynes, Blake Nutzel, Joe Hardy and Mike McGoldrick on the line contributed heavily to their perfect season, 7-0.

Scout Troop 529 Holds 1st Meeting
The first meeting of the Girl Scout Cadette Troop 529 was held at the Sierra Madre Park House Monday evening. It was a combined mother-daughter meeting with 23 girls and 18 mothers in attendance.

The meeting was called to order by Cadette Jenny Jacobsen, who welcomed the mothers and introduced the new leaders, Mrs. Gerard Shepherd, Mrs. Charles Knickelbein and Mrs. Peter H. Jacobsen.

Mrs. Shepherd explained the Cadette program and the plans for the coming year were discussed. A festive mood was set by a Jack-o-lantern punch bowl and other Halloween treats.

Guest Speaker At Women's Luncheon

Adela Rogers St. Johns will be the guest speaker at the Women's Activity Luncheon, Thursday, November 10 at 12:45 p.m., to be held in the Fellowship Hall of the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. Mrs. St. Johns is an honorary member of the Santa Anita Church and is one of its most popular guest speakers.

She is nationally known as a great newspaper woman and author of serials and short stories. "Tell Me Man," her current book-length novel has received wide acclaim through a coast to coast daily television program. Mrs. St. Johns' subject for this event will be, "What Christianity Has To Offer This Age."

A salad bar luncheon will be served at 12:45 p.m. Mrs. Sam Rowland, luncheon chairman invites all interested women to call the church office for reservations, 446-8206. The donation will be \$2.50. All proceeds will go to complete the furnishing of the Fellowship Hall.

Saturday, October 22, was a big day for the Ellet family, when seven members of the family flew to San Francisco to visit Charles Ellet, Sr. of Palo Alto. These were Mrs. Charles Ellet, Jr., 536 Manzanita

Warning To All Citizens

A warning from the Chamber of Commerce is extended to new householders in the city because of a number of phoned-in complaints. Seems someone has been calling new people, making an appointment to see both husband and wife for an evening to present a gift from the local merchants, failing to keep the appointment and then calling to make a second one.

Mrs. Pat Appleby, local representative of Welcome Wagon, Inc., says that her merchant-sponsored calls are always made in the day time, do not require a husband to be present and are not made by appointment.

The Chamber doesn't want newcomers to be mad at local merchants because they feel let down by whoever is making those phony calls. It also wants to protect citizens from the possibility that the calls are a come-on for some kind of harmful exploitation, such as a salesman seeking a contract for home improvements at exorbitant rates.

Letters to the Editor

Dear Editor:
The following is a copy of a letter sent to the chairman of the Republican County Central Committee:

Services Held For Earl Montgomery

Earl Triplett Montgomery, 72, of 255 N. Adams passed away Friday, Oct. 28, at Parkwood Convalescent Home following a lengthy illness. A native Californian, Mr. Montgomery was a freelance motion picture actor. He was originally from Ben Lomond, Calif., and had been a Sierra Madre resident for six months.

He is survived by his wife, Mrs. Helen Triplett Montgomery of Sierra Madre and a brother, Joseph L. Montgomery of Pasadena. Services were conducted by the Rev. Hugh Bell of Sunrise Chapel, Pasadena Mausoleum on Tuesday, Nov. 1. Entombment was at the Pasadena Mausoleum with arrangements made by Ripple Mortuary.

Sierra Madreans Complete Courses

Seaman Recruit Edward G. Frye, USN, son of Mr. and Mrs. Gardner Frye of 529 N. Highland Ave., and Seaman Recruit John P. Chambers, USN, son of Mr. and Mrs. T. M. Chambers of 650 Oak St., have been graduated from 9 weeks of Navy basic training at the Naval Training Center at San Diego.

In the first weeks of their naval service they studied military subjects and lived and worked under conditions similar to those they will encounter on their first ship or at their first shore station.

In making the transition from civilian life to Naval service, they received instruction under veteran Navy petty officers.

Mr. Charles R. Soderstrom
Chairman, Republican
County Central Committee
1326 W. 6th St.
Los Angeles, Calif. 90017

Dear Charlie:

At the October 24th meeting of the Republican Central Committee of the 54th Assembly District, a resolution was proposed and unanimously adopted that this letter be directed to you with a copy to be sent to State Chairman Gaylord Parkinson, declaring that

"The Republican Central Committee of the 54th Assembly District is unalterably opposed to any write-in candidate after the selection of the party nominee in the primary election."

While this resolution mentions no one by name, I am sure you are aware of the situation in the 19th Senatorial District. In the 19th District, voters are being urged to write in the name of a Republican other than the party nominee at the November 8 election. A well-financed campaign involving much newspaper publicity, a television appearance, and a brochure mailed to the voters are collectively creating the impression that the Republican candidate for governor, lieutenant governor, and this candidate are running as a slate, and that the Republican Party should join in this attempt to defeat the party nominee at the Polls.

Since both you and Dr. Parkinson are thoroughly conversant with the duties imposed upon each of you, respectively, by the offices you hold, it is assumed that you will act accordingly.

—HOMER H. BELL,
Chairman, County
Central Committee
54th Assembly
District

Local Church Men To Participate In Convention

Dr. Robert Schaper, pastor of the Church of the Ascension, is director of the local church, and is slated to participate in the 15th annual, three-day convention of Greater Los Angeles Sunday School convention, opening today, Thursday, Nov. 3, at 7:15 p.m., using the facilities of First Baptist Church, Van Nuys. Dr. Cyrus Nelson, Glendale, is GLASS president.

Dr. Schaper says the event, themed to "God's Word for God's World," is programmed to highlight five workshop sessions for every age, conducted by more than 50 leading Sunday school authorities from across the country and Southern California communities.

He noted that the Rev. Joseph D. Blinco, former associate with the Billy Graham crusades, and currently director of Forest Home Conference Center near Redlands, is to give the keynote address.

Dr. W. A. Criswell, First Baptist Church, Dallas, Tex., and known as "a leading Sunday school pastor," will be heard at 8 p.m. Friday, and Dr. William S. Banowsky, pastor of Broadway Church of Christ, Lubbock, Tex., associate editor of the Twentieth Century Christian, and author of numerous books, addresses the convention at its dinner meeting Saturday.

Registration, added Dr. Schaper, is expected to exceed last year's 3,000 mark, and is open to all interested in Sunday school work.

Christian Science Lists Sermon

Isaiah's prophecy concerning the mission of Christ Jesus is a part of the Christian Science Lesson-Sermon on "Adam and Fallen Man" to be read in all Christian Science churches this Sunday: "The Spirit of the Lord God is upon me; be-

Rev. Howell Announces Sunday Services

At the 10 o'clock worship service of the Sierra Madre Congregational Church, Rev. David Howell will preach upon "Two Sides to the Question of Giving." Mr. Howell's sermon deals with the matter of giving which is intrinsically bound up with life itself. One side is the gifts that are given; the other side is the givers who give.

"O, Give Thanks Unto God," will be the anthem of the Chancel Choir under the direction of Rev. Karl Beilstein. Taking part in the service also will be the Junior Choir singing Scott's "Open My Eyes That I May See," with Mrs. Edward J. Murphy directing.

The Women's Fellowship will hold its evening meeting for November in the church sanctuary on Wednesday, November 9, at 7:30. Rev. Patrick Flynn, pastor of the Hacienda Heights church, will be the speaker. A minister for several years in Istanbul and a traveler to the Holy Land, he will tell of his impressions and illustrate his talk with colored slides. A social hour will follow the program. All members of the church and friends in the community are especially invited to this meeting.

cause the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound."

Correlative readings from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include:

"Through discernment of the spiritual opposite of materiality, even the way through Christ, Truth, man will reopen with the key of divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure, and free, not needing to consult almanacs for the probabilities either of his life or of the weather, not needing to study brainology to learn how much of a man he is."

Dr. Barnhart Announces Sunday Theme

Do you really believe you are a child of God? True believing is actually living what we say we believe. It is acting on our belief that makes the difference in results. This will be the theme of Dr. Ethel Barnhart's lesson-topic, "You Are the Child of God," Sunday, October 30, at the 11 a.m. Worship Service at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. Infant and child care is provided during the service. The public is cordially invited.

At 11 o'clock graded classes for youth from kindergarten through high school are provided by dedicated teachers. All youth are invited.

Thursday, November 10 at 12:45 p.m. an opportunity is offered all women to hear and be inspired by one of the most popular speakers on the lecture platform today, Adela Rogers St. Johns, in beautiful surroundings and an intimate and friendly atmosphere. Please call the church, 446-8206, for reservations and details. All women are cordially invited.

"We offer you spiritual help to meet every day triumphantly through our Dial for Prayer, 447-6162," says Dr. Barnhart.

David, the infant son of Mr. and Mrs. John Quarnstrom who live at 107 E. Laurel St., Sierra Madre, was a surgery patient recently at Sierra Madre Community Hospital.

Local Students At PHS Participate Extensively

Sierra Madre students at Pasadena High School are not likely to be outshone by the younger students at Wilson Junior High, perhaps in part because many of them had their initiation at Wilson into the service and excitement of extracurricular school activity. Some 124 local residents are listed in PHS activities, several of them in more than one.

To begin with scholastic honors, Sharon Smith is the recipient of a Letter of Commendation for the National Scholarship Qualifying Test and the following are on the Administrative Honor Roll: 12th grade, Christine Champlain, George Fratt, Kathy Rees, Dennis Rothbart, Margaret Shadforth, Colleen Simpson and Joan Thomas; 11th grade, William Carmon, James Goldman, Marlene Juhl, Lana Riggles and Charlotte Stroh.

Four honorary service clubs at PHS have Sierra Madre residents. Members of the "X" Club, for 10th grade boys, sponsored by the Exchange Club of Pasadena, includes Kai Kuwata, Nolan Backness, Nick Owen, Art Schaefer, Michael Boyke, Don Ross and Richard Seigle. The Thebians, corresponding honor club for 10th grade girls sponsored by Exchange Club wives, does not this year have local girls as members.

There are two service and leadership clubs for junior and senior girls, the Aurora, which includes from Sierra Madre Mary Matakovich, Claudia Gardner and Alison Snow; and the "S" Club, sponsored by the Serptomists, of which Pat Bennett, Claudia Gardner, Nancy Green, Sandy Hartman and Lana Riggins are members.

Honorary club for 11th and 12th grade boys is the Key Club, international honorary service club sponsored by the Kiwanis Club, in this case by the East Pasadena Kiwanis group; members re-

siding here are Bill Cameron, Dennis Fratt, Robert Ingram, John Nickoloff, Jerry Riggins and Jim Schaefer. Karen Tillquist is a member of the PHS orchestra, and marching vigorously with the PHS celebrated marching band to prepare for the Rose Parade are Lynn Appleby, Chris Embree, Dave Foster, Steve Klasky, Tim Lavrouhin, Nolan Mackness, George Matakovich, John Mays, Gary Pogue, John Thompson, George Throop, Betty Tlahrt, Chris Vorster and Gary Young.

Students who received Eagle Scout Awards on Oct. 25 are George Clark, John Kingsbury, Carl Cheadle, Bruce Stuart and Robert Cowen.

Working on the "Chronicle" staff are Ceci Estrada, reporter; Carol Bothbart; Mary Matichovich, Page 1 editor; Bob Ingram, executive editor, and Jim Stockett, editor Red and White (football program).

Members of the drill team are Karen Morash, Sandy VanZandt, Diana Brown, Donna Sanders, June Takahashi, Karen Andrews, Elise Deverick, Suzette Yeats and Annette Yeats.

Rev. Armin Hesse Announces Service

Under the title "A Record of Rebellion," the Rev. Armin Hesse will initiate a four-Sunday sermon series on the Old Testament Book of Malachi in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive.

Stating that "This Book of the Bible is especially relevant to our days which are characterized also by rebellion within the church," the clergyman will speak on the question "Is the Lord God Disgusted?" as he leads the congregation in the consideration of the first chapter.

At 2 o'clock on Sunday afternoon, President Robert Harbur will preside at the annual budget and election meeting of the voting assembly. Mr. Donald Hingst, the church's minister of education and youth, announces that the young people of the Walther League will meet at 7 p.m. for the teacher training course entitled "Successful Teaching."

On the parish program for next week: The Junior Choir and the Evangelism committee on Tuesday evening at 7:30; Children's Midweek Bible Hour on Wednesday evening at 7:30, featuring the courses on "The Life of Christ according to St. Luke" and "The Historical Background of the Old Testament Prophets"; the semi-monthly Weekday Bible

... Christmas Cruise

Annual Holiday Cruise Schedule For SS Lurline

The SS Lurline's annual "Mele Kalikimaka" and "Hauoli Makahiki Hou" Cruise (that means Merry Christmas and Happy New Year) will sail from San Francisco December 20 and from Los Angeles December 21 to Hawaii's four major islands of Oahu, Kauai, Maui and Hawaii.

Both the Christmas and New Year holidays will be celebrated at sea on the 15-day cruise to Honolulu, Nawiliwili, Lahaina and Hilo. The Lurline will spend two days in Honolulu and a day in each of the other ports.

Meanwhile, Matson Lines' South Seas cruise liner Mariposa will sail from San Francisco December 4 and from Los Angeles December 5. Passengers will spend both holidays at sea during the Mariposa's 42-day cruise to the South Seas, New Zealand and Australia.

The South Seas cruise liner Monterey will sail from San Francisco December 26 and Los Angeles December 27 and passengers will celebrate New Year's Eve at sea enroute to Bora Bora and Tahiti, the first ports of call.

Another Lurline "four-island" Hawaii voyage, the Winter Paradise Cruise, will sail from San Francisco January 27 and from Los Angeles January 28.

Complete details and free brochures are available from V.I.P. Travel, 49 S. Baldwin Ave., in Sierra Madre.

Someday perhaps someone will publish a handbook on how parents can divy up the action on back-to-school night when children are divided up. Like the Denlow family at 324 N. Auburn; they have Philip in PHS, Caroline at Wilson, Louise at Sierra Madre. All had a breather in the recent weekend trip to visit a cousin, Dr. Donald Skinner, at Vandenberg Air Force Base, well planned for ideal driving weather.

Advances, Many Awards Highlight Court of Honor

The Fall Court of Honor for the Boy Scouts in the Sierra Madre - Hastings Ranch area of the Rose Bowl District, which was held at the Sierra Madre Grammar School on Tuesday evening, at which 201 Scouts and 317 parents and friends were present, featured an unusually large number of advancements and awards.

Gary Aardahl and other members of Troop 377, the host unit, conducted the color guard ceremony after the entrance of the members of the Court and the Scout units; and helped in many ways during the evening. The invocation was given by Rev. Glen McCormick of the Sierra Madre Congregational Church.

The unit leaders and advancement chairman, in each unit took care of the presentation of merit badges and advancements in rank. Star Scout advancements for Nicholas Lessenevitch, Thomas McGuire, Rick Bischoff, David Lindberg, Gordon Mitchell, Scott Jenkins, David Whited, Gary Farmer, Stephen Cagle, and Jim Ivler were presented by Norman Shanks, 1965-66 Council Desert Caravan chairman.

Life Scout advancements for Douglas Mitchell, Ted McAvoy, and Sam Bennet were presented by Carl Bischoff, Rose Bowl District vice chairman. Bronze Palm awards were presented to Michael Mackness and Nolan Mackness by M. W. "Don" Donaldson, Rose Bowl District executive.

Acting on behalf of Matt R. Grandon, president of the San Gabriel Valley Council, Marcus Woodward, Court of Honor chairman, conducted the Eagle Scout ceremony, during which Carl Cheadle, George Clark, Jr., Robert Cowan, and John Kingsbury, of Troop 373, and Bruce Stuart, of Troop 376, were presented with their Eagle Badges.

The narration for Carl Cheadle was given by A. C. Watson; for George Clark, Jr., by Rev. Glen McCormick; for Robert Cowan by Glen H. Highman; for John Kingsbury, by Milton R. Emerson, and for Bruce Stuart, by Robert Mackness, Explorer Scouts of Post 377 served as Honor Guard for the Eagle Scouts, their parents, and the narrators. The Eagle Badges were presented to the boys by their fathers, and in turn, the new Eagle Scouts presented their mothers with a miniature Eagle Badge as a memento of the occasion.

"Don" Donaldson presented Marcus Woodward with a "Key Man" tie clasp as a token of the appreciation of the Scouts and Scouters in this area for his efforts in planning and presenting the Courts of Honor.

Members of the court who conducted the "Attendance Oscar" count, revealed that Troop 373, with 3.35 visitors present for each active member of the unit, were the winners of the trophy for this court.

After the benediction by Rev. McCormick, and the retirement of the colors by Troop 377, friends and well wishers of the new Eagles and their families surrounded them to offer their congratulations, as they also did the two Bronze Palm recipients.

Ricardson Against Rumford Act; Would Seek Repeal

"I have made it very clear in every corner of this 19th Senate District that I favor what Proposition 14 was trying to accomplish in upholding the right of a man to sell or rent his property as he sees fit," stated H. L. "Bill" Richardson, candidate for Senate in the 19th District.

Richardson's comments came during a coffee hour in Glendora this week. Richardson continued, "I have been, and am, opposed to the Rumford Act. This ill-timed and poorly written law infringes on one of our basic rights. It threatens our individual liberty and sets a precedent which would undoubtedly lead to a further loss of individual freedom."

Richardson concluded by saying, "When I go to Sacramento as your State Senator from the 19th District, I will initiate legislation calling for the outright repeal of the Rumford Act. Once this law is repealed then we can sit down and discuss proper ways to deal with civil rights grievances, riots in the streets, and this

"black power" nonsense. We cannot ignore the problem. We must cope with it, always keeping in mind the sacred rights of each individual citizen."

Is Your Man

For Trustee of

Area No. 2

Greater Pasadena Junior College

A Conservative Man

With Experience -- Ability

And Financial Know-How

Who States . . . "I Believe"

Wise, prudent and sound money management must be a major part of the Junior College Board's policies due to the increased pressures being exerted by industry, the economy and the State Board of Education under the "new master plan" for Education and the possibility of a Junior College Board at the State level].

When problems, such as these, are not planned for properly, we will be pressured into accepting additional aid to continue an Educational program.

Federal Funds, even without so called "strings," carry a debt. You can do what you want with your own money, yet, whenever "outside" money is inserted — the result is always a little less control. It is gradual erosion of our local control — a little at a time until — no control. It is well hidden and too big a price to pay — I am against the use of Federal Aid.

This board must also provide excellent control of our teacher hiring practices — maintaining the best possible procedures to assure the Junior College of having the best qualified teachers available. Hiring those who will follow the recommendations and policies set down by the board, for the public's best interest, as to Academic excellence.

I do not believe in teacher control or teaching extremes.

VOTE NOVEMBER 8

ROBERT C. MICHAEL

Candidate for Trustee Junior College Board Dist. 2

I believe in the present college administration and the work and purpose of the Associated Student Body Board, and I would back them completely in their decision pertaining to student conduct, dress and student club representations. I will stress for a good college image being maintained for Pasadena City College.

I also feel we can change the present tuition structure of the Adult Education program by establishing a fee for all non-credit courses, which are now being offered free. Still maintaining the policy of free credit courses.

The future of our Junior College is truly in the hands of the public and the new board. The public, because of their continuing demands for more and better educational facilities and instruction at a lower cost. The board's part in this play is to achieve this "excellence in education" by competent and able direction, providing the best possible business management and securing the highest return for the taxpayers' dollars.

I believe that with my background and education I can give to this board a businessman's talent for making decisions when they count and add the necessary strength and knowledge which I have in financial and fiscal planning.

Wilcox and his wife, Louise, have a son, Ralph, and two daughters, Ethelyn and Daphne, attending the Sierra Madre Episcopal Parish Day School, and an infant son, Corbet, born in September. Music is a daily endeavor and a source of relaxation in the Wilcox household.

Easy Guess

Five minutes after the papers hit the stand, Don Jackson cast the winning ticket. And from then on, the Bob Evans establishment was kept busy answering the phone as others followed suit, all naming "Ole" Bill Wark at the left of the picture.

Others in the group are Ruby and Toni Bernardi and Robert "Tuffy" Cleet, a group of hardened professional wrestlers who became well known throughout the land as the "Arkansas Scufflers" from Pee Ridge in the Ozark mountains of Arkansas.

The old car in the picture is a 1907 Mitchell, supposedly the first car purchased in the colorful hillbilly land. The huge headlights on the fenders were placed there when the highway patrol, a group of "flat land furriners," insisted on it for safety's sake.

For two out of 17 years as a professional wrestler, Bill Wark traveled with and was part of the group. It took a lot of nerve.

Keeping Sierra Madre On the Map

Local Students of Wilson Hi Participate In Many Doings

It is certainly not true, of course, that students living in Sierra Madre have completely taken over Wilson Junior High School in student activities; it merely seems that way because they are making such a good showing this year.

For instance, it was Kathy Sutton who won the award at the Football Circus on October 22 for selling more tickets than any other girl in Pasadena.

And then the following students, Sierra Madre residents,

The Menu Story

by Frank P. Burke

Using the phrases old and established means two things —

Old, means many years and established, is a solid reputation.

This will describe the Sportsman's Tavern in Duarte.

As a restaurant worker it is indeed a pleasure to work in a place where they use quality products to produce a bar product or a food item VERY close to perfection. The owners since 1936 — Wadsworth and Trentham have made MANY, MANY friends by doing just this. Chew Elmer (Pierre) Burrows and his staff do a real fine job. The bar crew of Robaire Clements, Jaquez De Bonde and Roberto Sundae will take care of your bar needs in first class style.

The food menu has many choices and all are excellent. The salads are COLD and CRISP and in any salad the tomatoes are PEELED.

All the dressings are "house dressings" but the most popular is Lillian Wadsworth's "White Garlic."

Jim and Selma Trentham greet you as you come in — along with Maxine Burrows. For game dinners (on reservation) or just anything you wish try this menu (closed Monday).

As a bartender for 18 years I have always wanted to tell people where to go — now, thanks to Robert Evans and Pauline Neal of the Sierra Madre News, I can do it without getting into trouble.

Come in to the Highlander and talk about these menus with me.

Next week — Gwinns West in Pasadena.

Vatican Council Subject Of Talks By Rev. O'Malley

A series of five talks on the Vatican II Council will be presented by the Rev. Thomas O'Malley, pastor of St. Rita's Church in Sierra Madre at St. Rita's School Hall, beginning Nov. 9, under the sponsorship of the parish Holy Name Society, with Anthony J. Verbisca as religious committee chairman.

Translations of the 16 documents of the Council are just now appearing, so the talks are designed to clarify the new things recommended, the more active role in the world being taken by the church and the greater responsibility and opportunity accorded laymen to participate in this role. The program is open to all adults of the parish and their guests.

The talks will begin at 8 p.m. and will be followed by a question and answer session. Schedule for the series is as follows: Nov. 9, The Place of a Council in the Church; Dec. 14, Religious Freedom: Conscience and Authority; Jan. 18, The Position of the Laity in the Church; Feb. 13, Revelation; Mar. 13, Marriage and the Family.

dents, hold these Student Body offices at Wilson this year: Mary Alice Colvin, entertainment commissioner; Doug Birch, publications commissioner; Kam Kuwata, safety commissioner; Gail Brown, girls activities commissioner; Susan MacKenzie, ninth grade student counselor.

That this is a musical community is much in evidence from the roster of local students who are members of the Wilson Concert Orchestra or its award winning marching band. Band members from Sierra Madre are:

Stephen Abernethy, Victoria Betts, Franklin Blosser, Donald Bradley, Cynthia Chin, Lydia Cathers, James Comer, Jeff Embree, Brod A. Emerson, Bonnie George, Andrew Lakin, Dorothy Lilley, Rudolph Lopez, James Mays, David McConnell, John Murphy, Charles Meursing.

Also Patrick Myers, Mark Nummell, David Phillips, Robert Padgett, Evelyn Schoeck, Marilyn Schoeck, James Sheppard, Ron Smith, Cameron Switzer, James Walters, George Weise, William Wilson, and Ralph West.

Sierra Madreams in the Concert Orchestra are:

Eric Anderson, Gretchen Beilstein, Margaret Burke, Terry Cara, Victoria Clancy, David Clark, Patricia Davis, Deborah Dunnagan, William Hartley, Sarah Hensel, Marilyn Hornbeck, Juliana Jenkins, Eliza Kubota, David Lindberg, Anita Lopez, Michael Mackness, Donna Miller.

Also Marc Montgomery, Ann Moras, David O'Neill, Vincent Peterson, Nancy Rudolph, Cynthia Somerjan, Nancy Simons, Robin Simpson, Kent Taylor, Jan Van De Verg, Hannes Vogel, Laurel Walters, Kristina Williams, and Julie Wyrick.

Working on the Wilson stage crew are Keith Dickson, Craig Smith and Jeff Throop.

There are four Song Girls from here: Debbie Dennison, Chris Morris, Kathy Oldham and Nancy Rule. Active on the Drill Team is quite a long list of local girls:

Susan Agee, Connie Andrews, Darnell Arneaud, Patty Atkinson, Marilyn Baker, Jeanine Bowman, Jenny Capelle, Cindy Chin, Mary Alice Colvin, Debbie Cooper, Dale Dietrich, Cindy Embree, Julie Graham, Pauline Hashitume, Mary Hauck, Nancy Hill, Marilyn Hornbeck.

Also Pam Lafkas, Georgina Lilley, Sue Mackenzie, Margaret Matakovich, Christy Michael, Debbie Ribbens, Chris Schmidt, Tirra Schneider, Lisa Seegmiller, Linda Sharp, Betty-Jo Tilley, Mary Tucker, Cathy Weesen, and Valerie Yule.

Hometown boys balance off the showing of the rhythm girls by going out for football. Under the management of Scott Blair, we have, on the "A" team:

Steve Barry, William Bennett, Randall Bradley, Ronald Carnighan, Tom Edwards, Tom Gentry, Darrel Gumm, Don Hathaway, Charles Morris, John Neal, Greg Patterson, Neal Skarin, John Thomas, Jeff Throop, Scott Toms, and Paul Westman.

Members of the "B" team from Sierra Madre are: Phillippe Bols, Terry Cara, Larry Carnighan, Richard Fisher, Frank Hartley, Paul Huber, Rudolph Lopez, Michael Miller, David Otte, Timothy Palmer, Craig Smith, and George Takahashi.

That makes about 124 involved in student activities, not so surprising when one considers the extent to which citizens of Sierra Madre participate in local civic activities.

Volunteer Firemen's Wives Tell How

a place to flop fully dressed — and nobody had the energy to give a gosh darn either! But of course, you couldn't print that!"

There are the time, such as Christmas Eve, when wives watch their men go out the door ("they should be home with us") to sponsor the annual stocking give-away under the big lighted deodors in Memorial Park.

After which, they quietly go about with truck-loads of food, games and toys and distribute these to families with little ones who could use a helping hand that year.

One wife recalls, "I'll never forget when I was one of those children. Seeing those big red trucks pull into our yard and the men in uniform carrying boxes of food and setting up toys. It was in the afternoon the day before Christmas. (I knew they must have made a mistake). I'll never forget the joy I felt as I watched my parent's faces, or how no sound came out of my throat as I tried to shout "Thank you and goodbye!"

along with the others. So you see, like most of the wives, I can accept my husband's absence, simply because it is Christmas Eve."

A wife never knows when her husband will pop in unexpectedly, sopping wet from head to toe, when he's still supposed to be out on Friday night practice. "Hurrry! I've got to change and get back," he will say. The wife's answering remarks should be censored.

But I can tell you what she's probably thinking: "Is all this in the line of duty? Or did someone get playful with the hose?" And as she grinds her teeth and watches her husband plunge into dry clothing, all the while puffing and puffing with a strange kind of merriment, his eyes dancing, she'll be adding to her thoughts, "Darned fools! Do men ever grow up?"

When the alarm goes off, each wife has her own way of holding on and saying to herself, as she helps in any way she can, "Please, God, take care of him." And adds, "If he gets hurt, I'll break his neck!"

She already knows how much the men will be giving. She's heard the outside groups comment when they have joined forces, "I've never seen anything like it. No let down, just go. Man... and they are only volunteers. Good Lord! What a hot bunch of smoke-eaters! What is it with these guys?" And on and on.

The wives know what it is with these guys. It's not just that there is a bit of "hero" in every male. It's also that they are fighting for their own, and that's where the heart is. And they'll darned near bust those hearts before they'll let anything happen to their own!

The volunteer fireman's wife know this, and waits stoically for his return. Sometimes he's a bit the worse for wear and hard to recognize through a coating of wet, black ashes; but his dear old bloodshot eyes still manage to shine with the pride of a job well-done. And she shines back, for she can not deny the bit of "by hero" within her own heart.

Ask any fire department wife whose family has met with sickness or death and in every case you will get an over-powering picture of humanity at its greatest.

But the wives also see men who are unabashed not only in showing love and concern for each other in times of trouble but in times of glee, and quite uninhibited in their razzing of each other. Whatever the reasons — volunteers — small-town, grown up together, face danger together with lives depending on each other, the end result is that in time of personal need, the fireman are a group of resolute friends.

The mother of a fireman who recently underwent surgery come to be with him, and as she prepared to leave, said, "I expected him to have friends. But, not a whole townfull." Her eyes glistened with tears as she shook her head and added, "In all my 70 years I've never seen such a display of love!"

Want to ask the volunteer firemen's wives what these men are really like? Well, take any cross-section of any modern day, suburban, small-town males...

Commission Comes Of Age

Plans Made For Future Of Parks In Sierra Madre

Quietly, like a busy parent finally pushed to shape up insurance plans for growing offspring, the Parks and Recreation Commission came of age at its monthly meeting Oct. 27, when it decided to implement a survey of the "highest and best use" of land areas in order to arrive at a master plan for parks geared to future as well as present needs, and the same evening determined to take a firm stand in supporting city building code requirements for city-owned structures on its park lands.

The latter stand was stiffened by the commission's hope to pursue removal of the present youth hut and concession stand in Sierra Vista Park and to consider temporary quarters to serve the city's teenagers, while the financing for a new center is re-proposed, for which purposes a special meeting on the youth center will be held. Report that 150 teenagers informally surveyed have expressed need for a different type of building than the one planned after conference with leaders of various groups indicates that the commission will re-evaluate the type of structure to be built. Possibility of temporary use of the historical Woman's Club building will be explored.

After discussion of the past season's popular use of the swimming pool and how it might be more profitably operated through change of fee structure, this matter was tabled for further breakdown of figures.

It was announced that the area planned for picnic use at Bailey Canyon is to be disposed of either by sale (which could be to a subdivider), or by trading it to the City of Sierra Madre in exchange for a dump space elsewhere to accommodate the L. A. County debris basin above the area in question. Since this land value is high, purchase by the city would present considerable budget problem.

As a beginning in shaping up plans for the city-owned area of 940 acres around Orchard Camp, the commission approved the name of "Sierra Madre Historical

Wilderness Area" for it. This area, falling under the commission's jurisdiction, will still have to follow U. S. Forestry rules for fire prevention, and not being property of county, state or federal government, will not be automatically restricted without city rules and reinforcement.

Relationship of the commission to the City Council was clarified by Councilman Wagner; revision of Chapter 4 of the city code pertaining to parks and recreation was approved; and the next meeting was moved forward to Nov. 18 because of Thanksgiving.

In reviewing the list for tree removal, Dick Dodge explained that it is planned to economize by having the park crew, under direction of the department's new tree trimmer, do the actual tree removal and contract only for stump removal, using the money thus saved to plant some tree replacements, which would otherwise be unavailable at present budget limitations. Removal priority will go to trees considered hazardous. The commission favored a suggestion to have a city "Plant a Tree" week to obtain additional replacements.

Present were Councilman Wagner, Director Dodge, Commissioners Bennett, Cooke, De la Torre, Grippi Rempel and Simpson.

The colorful paint-a-trash can contest has aroused so much interest that it may be featured on TV. Entry blanks may be obtained from local art and jewelry stores.

Request of the Little League Baseball Association to install a chain-link fence defining the baseball diamond instead of the removable and easily damaged slat wood fence hitherto used was okayed.

Excess Land Ordered Sold In Villa Area

County supervisors have declared a parcel of Flood Control District land in Pasadena excess and authorized its sale for \$6,750, Supervisor Warren Dorn reported recently.

District Chief Engineer Walter J. Wood recommended the action.

Dorn said the parcel was originally acquired as part of the right of way for construction of Sierra Madre Villa Debris Dam and Basin. Since completion of the project, the land is no longer needed by the agency.

The excess parcel contains approximately 18,800 square feet and is located east of Sierra Madre Villa Ave., west of Eaton Canyon Park and south of the debris basin. Because of its size and location, the owners of the adjoining land are considered the only potential buyers.

A quitclaim deed will be delivered to Carlyle A. and Gloria G. Mounteer, 1250 Sierra Madre Villa Ave., Pasadena, Dorn said.

The sale price is equal to the fair market value of the parcel and the sum plus a \$3 fee for recording the necessary documents has been deposited with the District, he added.

Letters to the Editor

Dear Editor:

I don't know Bill Richardson — Republican nominant — from a field of nine to run for State Senator representing our 19th District. But I'll wager he and all good Americans of both parties are somewhat amazed at the frenzied antics of the Arcadia-Sierra Madre Tribune in its efforts to elect the Democrat — Arditto.

There is no question that the Tribune's write-in lackey, Hillings, will lose by a tremendous margin. The only question is whether Arditto can sneak in if a few votes are thrown away on Hillings, a past loser of the stripe of Kuchel.

Those who want Arditto defeated should be aware of only one thing. The left wing Tribune will do anything to defeat a traditional Republican such as Mr. Richardson, and anything includes the gutter approach such as is now being tried. The Tribune is an ultra liberal throw-away sheet masquerading as a "Republican" paper. It is as Republican as Leon Trotsky — and just about as American.

— S. R. BROCK

Dear Editor:

I would appreciate it very much if the following correction would be printed.

In the October 27, 1966, issue of the Sierra Madre News, my name was listed as one of the hostesses for a candidate coffee.

As an officer of the Pasadena PTA Council, I may not (and do not) take part in certain specified partisan political activities, particularly those which are endorsements of candidates for any office.

PTA guidelines regarding partisan activity for positions on the National Congress level on down to presidents of local units are very clear, and I do not violate them — any more than I break the rules of any organization to which I might belong.

I was not asked to be a

hostess, nor would I have consented had I been asked. Moreover, my name was used without my knowledge.

I am sure that the inclusion of my name was done in innocence, but it must be made clear that until such time as I no longer hold a PTA position which falls within the national guidelines, I will not take an active part in any candidate campaign.

Thank you.

Leads Area In Campaign

Sierra Madre continues to be anchor man in the communities of the Foothill Area United Crusade Campaign. The community is leading the area with 55 per cent of the campaign goal money received.

This was announced at a luncheon at the second report meeting held at a restaurant in Pasadena and attended by more than 80 volunteer leaders.

Sierra Madre was represented at the luncheon by Campaign Chairman Carl Hobson, Guy Rossi, Lucy Young, Phyllis Chapman and Doug Delahouke. Although Sierra Madre is

doing well in campaign receipts Mr. Hobson points out that the last half of the campaign is always the hardest part. He urged donations to the drive that supports 310 health and welfare services and 13 chapters of the American Red Cross.

A torch which is the campaign symbol has been placed in Kersting Court. This is the thermometer which shows the progress of the campaign.

The background is filled with a pattern of wavy, horizontal lines, resembling a stylized sea or a textured surface. The entire illustration is enclosed in a simple black rectangular border.

Yvonne and Michael Dooley (she was formerly Mrs. Hammerschmidt, is still March of Dimes chairman) recently celebrated their first wedding anniversary and daughter Vicky's 17th birthday by making a family outing to Santa Barbara, accompanied by daughter Denise. Rob is now going to Orange Coast College and living in the family beach house at Balboa. The family was also celebrating fact that Vicky is enough recovered from her bout with mono to go back to PHS where she is a senator.

A weekly serving of provocative thought is available every Wednesday noon, along with lunch itself, for a professor-type budget of \$1.40 which includes tip, at the Athenaeum Luncheon Series at Caltech's faculty graduate student club, Hill and California. Of considerable interest to various civic groups and clubs should be the information that PCC has a Faculty Speakers Directory with 35 staff members available to speak on a variety of subjects in order to secure, instead of a fee, a contribution to the "Dollars for Scholars" Fund. Should be a good way to perk up club meetings. Directory copy, which includes topics is available by calling 795-6841, ext. 276; then phone speaker desired.

Various groups in the area have been doing well lately and the Small World is no exception. They recently acquired a steady job playing at the Civic. Gene De Wald, the man in charge at this weekly dance, liked their talent so much that he signed them on as Saturday regulars.

Many unusual incidents have happened to the "World," formerly Gary and the Fugitives, one such incident took place at a battle of the bands about the time the Beatles first came out. They were sitting in with the Victors, another group, when girls came from everywhere to mob the stage. It just so happened that the Victors' drummer was the exact duplicate of Ringo Starr, long hair, Ludwig drums, and everything. Lots of songs played by these lads are originals and they have written such ones as: "Flight 42," "The Fifth Day," and "Ferdinand." The aforementioned were recorded on Pacific Challenge Records.

Members include: Lead guitarist and leader, Gary Brandt; John Gulick, drummer; David Holeman, organist; rhythm guitarist, Dennis Shoe; and lastly, Brian Coffie, bass guitarist. Ramona Convent, La Salle and Citrus will be their future playing grounds, not to mention the possibility of appearing with Ian Whitcomb and Somebodies Children at the Hollywood Bowl. Small World is managed by Bob Mahoney and he's doing a very good job of (of course the members might have something to do with it.)

Remember, if you want to have a real fun time don't miss them at the Civic.

Dance devotees can enroll for the special series of lecture-demonstrations called "Panorama of the Dance," to be given on nine Sunday evenings 7-10 p.m. at UCLA, beginning Nov. 4. Enrollment can be for credit or not; information and brochures may be secured by calling BRadshaw 2-8911, ext. 3721.

Dick Olthof of Sierra Madre was one of those contributing to the lively and amusing performance at PCC of "No Time for Sergeants." The play runs again this Friday and Saturday eve; go and have fun.

The increasing number of sons from families residing in Sierra Madre who are going into military service at this time lends special interest to the list of R.O.T.C. cadets from here who are presently students at PHS.

Distributes Its Christmas Funds

A distribution in excess of \$225,000 in Christmas Club funds has been announced by Altadena Federal Savings. The announcement was made by Arthur L. Ferris, president of the Association.

Each year at this time, the savings and loan institution distributes the savings that have been accumulated by its Christmas Club members for use during the coming Yuletide. This year, according to Mr. Ferris, this distribution of nearly a quarter of a million dollars reflects the savings of more than 1100 individual account holders and over \$4,000 in earnings accrued on principal during the 50-week period during which the club functions.

In conclusion, Mr. Ferris pointed out that, "One of the best ways to prepare for the holiday season and its extra expenditures, is to have the foresight to join our Christmas Club. Those who joined last year at this

time are now reaping the benefits of this foresight. In the same manner, those who join this year will prepare wisely for the Christmas of 1967."

Joining the Christmas Club is a simple matter. For savings program of as little as 50 cents a week during the 50-week period, one can become a member. Such a membership would receive \$25 at the end of the period, plus any accumulated earnings. In the same way a \$20 a week program would pay \$1,000, plus earnings during a like period. Savings is made easy by the use of a 50-week supply of pre-dated slips provided for each member. Also, as pointed out by Mr. Ferris, each club account earns the full current annual rate which a regular account earns.

Applications for new club accounts are now being taken at all three Association offices, in Altadena, Pasadena and Santa Ana.

Grandmother's Kitchen Band To Play

children and 50 great-grandchildren, according to their director, Arnes E. Peterson. The group was organized six years ago, with the primary idea to have fun themselves, and perhaps also to cheer the ill and lonely. The impact of their performances on the first outsiders who heard them resulted in many requests for them for entertainment programs, and appreciation of these snowballed into a crowded schedule. In November 1962 they appeared on Dick Sinclair's TV Polka Parade; the

L. A. Breakfast Club, radio, heard them in 1965 and they are scheduled to appear on Art Linkletter's Houseparty this Nov. 15, 1:30 p.m., the Tuesday after their performances at the Foothill Rosemead Shopping Center.

The Pasadena Grandmothers Kitchen Band, however, find their greatest satisfaction in playing as planned, for the handicapped and ill. In addition to entertaining at churches, lodges, clubs and PTA meetings, they have appeared before the Los Angeles U.S.O.; the mentally ill at Sepulveda; the veterans' hospital; Rancho Los Amigos Hospital; the Challenged; schools for the blind, the hard of hearing, handicapped and retarded children, rest homes and sanitariums. The Grandmothers hope, and believe, that in some measure they are not only entertaining but inspiring others to make use of talents despite handicaps more severe than a few added years.

See their special two pages of advertisements in this issue on Pages 14 and 15.

Services Held For Mrs. Ann Burke, Active Locally

Mrs. Ann Eleanor Burke of 189 N. Canon passed away Wednesday, Oct. 26, following a lengthy illness. Originally from Philadelphia, Pa., Mrs. Burke was a California resident for 20 years and a resident of Sierra Madre for 19 years.

Deeply involved in parish activities at St. Rita's Church since the Burke family moved to Sierra Madre in 1949, Mrs. Burke was one of the founders of the St. Rita's Guild and the Mt. Alverno Guild. One of her many contributions was the institution of the Mt. Alverno Thrift Shop for the benefit of the nuns and the school. For many years she recruited members for the Sacred Heart Retreat House in Alhambra.

She is survived by her husband, James D. Burke; sons, 2nd Lt. William F. Burke, Robert T. Burke and James F. Burke; daughters, Bonnie Burke and Mary Ann Burke, and a brother, Edward de Graaff of Azusa.

Friday, Oct. 28, there was a recitation of the Rosary, and a Requiem Mass was said Saturday, Oct. 29, at St. Rita's by Rev. Thomas O'Malley. Interment was at Resurrection Cemetery S. San Gabriel, with arrangements made by Ripple Mortuary.

Seems the Peru quake has shaken up the world's crust a bit and there are predictions that there could be an echoed rumble around these parts one of these days, so a word re precautions might be in order. According to Dr. Charles Richter, director of Cal Tech's Seismology Lab, public panic causes most loss of life rather than quake damage, so first rule is stay put if there should be one, whether you are inside or outside. Keep cool, and take cover, either under desk, table or bench, or against walls, avoiding glass windows or skylights. If out of doors, walk, don't run to clear areas away from walls and utility poles or downed wires. Worst point is just outside doorways or close to outer walls. If home, disconnect utilities, and if smell gas open windows (disconnect main valve at meter if can) and go out in air, later have gas man check for safety before reentry. Don't use phone except for emergency, but do turn on radio or TV for news bulletins, and do postpone sightseeing till later. Pretty simple: if it quakes, duck and keep cool.

THE GIFT of an Omega watch will be remembered every minute, every hour, every day. In 156 countries it is the most wanted watch... expressing deep affection and high esteem. Omega watches are meticulously crafted by the finest Swiss technicians. From blueprint to final assembly each Omega undergoes hundreds of quality-control checks. Many parts are machined to tolerances finer than 1/1000th of an inch, ultrasonically cleaned and polished to mirror-like brilliance. Even the oil used to lubricate the high-precision Omega movement is the world's costliest. No wonder the first American astronauts who walked in outer space wore Omega watches. In fact, Omega watches are standard issue by N.A.S.A. for all astronauts in the epoch-making Gemini program. No wonder, too, why our expert watchmakers recommend Omega watches above all others. For yourself, or for an important gift, see our large Omega selection from \$65 to over \$1000.

Tax Increases

Assessed valuations increased in every county in California for the 1966-67 fiscal year and in addition 28 of the 58 counties increased the basic tax rate, according to a study just completed by California Taxpayers' Association.

Los Angeles County's assessed valuation increased 9.7 per cent from \$14,312,915,073 in 1965-66 to \$15,706,995,845 in 1966-67. The tax rate decreased 0.03 per cent from \$2.42 per \$100 of assessed valuation in 1965-66 to \$2.30 this year.

On a per capita basis the statewide average assessment increase was 4.8 per cent from \$2,124 in 1965-66 to \$2,225 in 1966-67. Los Angeles County's per capita tax base changed 8.9 per cent from \$2,085 a year ago to \$2,271 this year.

Looking only at the county general tax rate, that applied by the Boards of Supervisors equally throughout each county to finance general government, Robert C. Brown, executive vice president of Cal-Tax, said, "Fewer counties are able to hold the line against rising governmental costs. It becomes increasingly apparent the tax base is not expanding as rapidly as governmental costs."

Only San Mateo County, with a rate of \$1.33, has stayed in the group of counties below a \$1.50 tax rate. Last year Mariposa and Plumas also were in this group.

Similarly, in the group of counties with rates between \$1.50 and \$2, there now are only eight, whereas a year ago there were nine.

At the top of the range, Alpine County, with an increase from \$3.88 to \$3.97, retained its place as the county with the highest tax rate. Last year six counties had rates of more than \$3 and this year there are seven.

Tax rates were unchanged in six counties.

Another 24 counties were able to reduce the basic tax rate in amounts ranging from 78 cents in Humboldt to 1 cent in Alameda and San Mateo.

Calaveras County, with a 69 cent increase from \$2.17 to \$2.86 per \$100 of assessed valuation, had the greatest rate increase for the year. Orange, San Luis Obispo and Sonoma Counties had the least increase — 2 cents each.

Total assessed valuations increased 7.7 per cent to a new high of \$42,522,366,363 for the 1966-67 fiscal year with Alpine showing the greatest rate of increase at 14.2 per cent and Plumas the smallest at 1.8 per cent. Nine counties increased valuations by 10 per cent or more, and 15 counties had a 5 per cent or less growth in tax base.

With Riverside becoming the 11th county with a tax base of more than \$1 billion, these top 11 counties now account for 76 per cent of the total county valuations.

Mono, Alpine, Plumas, Colusa and Amador are the five counties with the highest per capita valuations, the same as they were a year ago. Although Mono's per capita valuation dropped, it still was highest in the State at \$11,868.

Solano County, with only a slight increase to \$1,546 per capita valuation, retained its position as the county with the lowest per capita tax base.

Think about this as you vote November 8.

We Recommend!

Of course, in the forthcoming election we do not hesitate in suggesting to you that you vote a straight REPUBLICAN ticket. When we send Ronald Reagan to Sacramento to represent us, he must have those with him who will give him the greatest amount of support in the projects that he wishes to accomplish. This is not only true of State offices, but national as well, as the future of California also has many roots into the nation's capital, where these men will see eye to eye with our Governor.

On the propositions . . . we have studied these to the best of our knowledge, and from the standpoint of stability for the Taxpayer, as well as the future of our State, we suggest that you cast the following vote:

1A—Yes	5—Yes	9—Yes	13—Yes
1—Yes	6—Yes	10—Yes	14—Yes
2—No	7—Yes	11—Yes	15—No
3—Yes	8—Yes	12—Yes	16—Yes
4—No			

At this particular writing we have not had sufficient time to analyze the various other propositions that will appear on the ballot; in fact we are in the same position that you are at the present moment, we have not received our ballot, and hence do not know all the measures from the County standpoint and the non-partisan offices.

We are sure about the judges for California Supreme Court and earnestly solicit that you vote NO for retaining Roger J. Traynor, Paul Peek, Louis H. Burke, and Stanley Mosk, and vote YES to retain Marshall F. McComb.

For further recommendations relative to the election to be held on November 8 please see the front page of this issue. By that time we should have accumulated the information to qualify us to speak.

A Great Tradition

It has been said that nothing is so constant as change. Bulldozers and earth movers give evidence of this every day. And yet, a few traditions and principles will very likely be with us as long as there is a United States, and as long as we enjoy freedom under representative government. A typically American tradition is Thanksgiving, this year to be observed November 24 — a day of quiet when the family foregather in the privacy of home to give thanks and to partake of that fine old symbol of Thanksgiving — a roast turkey.

Once again, it will be a sober day for many who have members of their families in the Armed Forces. And it will be a sad day for more than a few who must endure an empty space at the table that will never be filled. For these, the tragedy of war has exacted the ultimate price. While it may be small comfort, they should be assured that they have the deepest sympathy of all the good people of our country. On Thanksgiving, there should be no other kind. And, while we think of Thanksgiving in terms of family gatherings, it should not be forgotten that giving thanks with due humility is a matter for the individual. In that moment, we are alone with our thoughts. They should be worth of a great day and a great tradition.

DR. HENRY V. WITTY

Management of this newspaper is not capable of answering questions to this column; however letters to the editor will be published, and answers forthcoming from the writer. Articles are of the writer's own making.

Within the past eight years God supposedly died. The "New Left" has appeared on the scene in all its hypocritical "splendor." A new morality has evolved which in essence is no morality at all.

Within the past eight years the University of California at Berkeley has been thrown into confusion if not reduced to a state of academic shambles. Its campus has become a market place for the dissemination of an American propaganda and a haven for mental, as well as physical, misfits who specialize in fifty speech, sex perversion and burning draft cards. The University's president, Clark Kerr, has not received so much as a slap on the wrist from the Governor for his permissive attitude toward such student and, in some cases, faculty misbehavior.

Within the past eight years the politically appointed State Board of Education and the State Curriculum Commission have adopted textbooks consistent with the philosophy of the liberal left, the new morality and the supposition that God might be dead! The latest example of such an adopted textbook is "Land of the Free," with its obvious omissions, negative presentations, glorifying of radicals and warped interpretations.

Within the past eight years the people of California by a 2-to-1 majority passed Proposition 13 thus invalidating the Rumford Act. The politically appointed State Supreme Court recently nullified the will of the four and one half million voters by declaring Proposition 13 unconstitutional.

Within the past eight years the unfair and erroneous assumption that anyone and everyone to the right of Bobby Kennedy is a "dirty bircher" has become the deceptive propaganda of the present liberal administration. The art of smear has been developed into one of its most effective weapons. Carpetbaggers have recently been called into the state to bolster a faltering, over-spent and obviously publicly exposed political juggernaut in a last-ditch attempt to keep it from grinding to an abrupt halt.

All these things and many more have taken place in our state in the past eight years.

Next Tuesday we, the people of California, will be charged with the responsibility of making our own separate decisions. The major campaign issues are quite clear if we will not allow ourselves to become confused by diversionary accusations. They are, as given to this writer by Karl Prusson: 1. Communist influence in government and politics; 2. The astronomical increase in welfare spending; 3. The widespread breakdown of law and order, coupled with the increase in crime; 4. Graft, corruption and the spoils system in government; 5. The rapid deterioration of the high standards in the educational system; 6. The capitulation of the present administration to Federal control of the state; 7. Bureaucratic control; 8. Mounting taxes, resulting from the indiscriminate big-spending program of the administration; 9. FORCED open housing and integration; 10. The transforming of California's institutions of higher learning to communist institu-

That we are on the verge of "Food Rationing" will come as a great surprise to many of you, but it is much, much more true than any of you may think. . . . Printers are standing by with plates and instructions ready when the flag is down to plunge our nation into food rationing. The initial "Food For Peace" program established by the United States in 1954 provided food for 100 million hungry people in 100 nations and has succeeded in reducing government stockpiles accumulated by the Commodity Credit Corporation. . . . Let's not be surprised, but I seriously hope it never comes to pass, I hope, I hope, I hope.

LONG
AGO
PEOPLE

It happened while I was hiking in the mountains . . . suddenly I came into a clearing and saw the crumbling foundations of what had once meant shelter and protection for a pioneer family. Rugged mountains surrounded the decayed dwelling on three sides. But in front there opened a panorama across a valley which in all its beauty held me spellbound.

I turned and noticed a small old-fashioned rose bush which seemed to reminisce with yesterday beside the molding stoop. I could feel the presence of those long-ago people. How they must have loved this place. The woman had tended flowers and vegetables here, had borne her babies and had helped her man carve a life from the wilderness.

What was their secret . . . these pioneer people? Where did they find the courage and confidence needed to face the privations and dangers of primitive living? God was their refuge and strength. Their love of Him illumined their lives, and goodness graced their days.

Just so today, God and His Church are the source of all bounty, greatness, and joy. They are yours for the asking.
